

DECLARATION OF PERFORMANCE

ETA-11/0138 of 16.01.2026

based on REGULATION (EU) No 305/2011 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 9 March 2011

Unique identification code of the product-type

Micropile System SAS with thread bar S 670/800, diameter 28 to 75 mm

Intended use

The Micropile System SAS with thread bar S 670/800, diameter 28 to 75 mm is intended to be used for pile foundation of buildings and civil engineering works according to the principles for execution of geotechnical works. The structural functions of the micropile are to transfer loads to the underlying layers of the ground and to limit deformations.
The micropile is suitable for tensile, compression and alternating loads. Design of pile foundations assumes axial loading of the micropiles only. Pile foundations are designed so as to form a redundant system.
Micropiles are temporary, semi-permanent, or permanent.

European Technical Assessment

ETA-11/0138 (Micropile System SAS with thread bar S 670/800, diameter 28 to 75 mm)

Technical Assessment Body

Austrian Institute of Construction Engineering
Schenkenstraße 4
A-1010 Wien

Notified Body

TÜV AUSTRIA GMBH
Deutschstraße 10
A-1230 Wien

Declared performance

See the assessment document ETA-11/0138 '3.1 Essential characteristics'
(published on the SAH homepage)

Appropriate Technical Documentation and/or Specific Technical Documentation:

According to mill certificate and identification code on each heat, batch etc.

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9.
This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

Stefan Schultz (Head of thread bar business, authorized officer)
